A theme song that deserves me or represents my life that would be "Hum to bhai jaise hain" by Lata Mangeshkar. As I think I love whatever I am. I don't want to change myself for others. Whether someone is happy or even if they are unhappy. I will never change myself for them. Again, I am an independent girl. I always follow whatever comes in my mind, I can make my own decisions. Lastly, according to me, I think this song describes me or represents my life.
